## Note on the Wednesday Night Paddles

The Wednesday Night Paddles are held most Wednesday nights mid-May through to the end of August, and are intended to allow both kayak and canoe members of the club to have a "social paddle" in the Comox Valley area.

The intention is to paddle under Level 1 conditions but if weather conditions change suddenly, then each paddler is responsible for his or her own safety.

We meet at 6:45 pm for a 7:00 pm departure and adult guests are welcome. An email is sent out each Tuesday to confirm that the trip is "a go" for that week and give a meeting place.

If you wish to be put on the email list please contact James Taylor at [jftaylor.1021@gmail.com](mailto:jftaylor.1021@gmail.com) .

Please be advised that paddlers have to comply with the Canadian Coast Guard requirements so take along a throw line (floating, at least 15m/50ft), bailing device, louder than voice signalling device (whistle) and participants must wear a PFD.
